## Things you probably didn't know about the Republic of Moldova:

On the territory of the republic, there are 2 largest functional cellars in the world: Milestii Mici with 200 km of underground labyrinths and Cricova with 120 km.

The underground wine town of Cricova covers an area of 53 hectares. As in a real city, there are traffic lights and road signs, all located at a depth of 35-80 m underground.

Despite its small size, Moldova boasts diverse flora and fauna, including rare and endangered species. The country has several protected areas, such as Codrii Natural Reserve, which is one of the largest and oldest forests in Europe.

The city of Chişinău is considered the greenest capital in Europe.
